Official press kit

BIO

Martin LuciuK is a complete artist born in the city of Mar del Plata, Argentina. His experience in turntables over time has provided him with an excellent reading of the dance floor. His sounds vary from the fusion of House / Deep and fresh sounds. Due to his great sound versatility, he was able to share booths in many prestigious clubs in the country, as well as in festivals, with great international exponents of the electronic field, such as M.A.N.D.Y (Get Physical), Audiofly (Crosstown Rebels/Flying Circus), Blond:sh (Kompakt), Anthony Atalla (Incorrect), Climbers (Get Physical), Tom & Collins (The Room -Ultra) among others. Nowadays, he also works as a music producer focusing on conceptuality as primary premise. Great Basslines and Cool Vocals.
